

HUMBA LOGISTICS PVT LTD

Investor Pitch Booklet

Moving Today. Building Tomorrow. Connecting Africa.

Executive Summary

Humba Logistics Pvt Ltd is a scalable logistics company in Harare, Zimbabwe serving construction, SMEs, and distribution sectors with a strong growth model.

Market Opportunity

Growing demand for reliable logistics driven by construction and SME expansion, with a gap in structured providers.

Business Model

Revenue from transport fees, contracts, and bulk logistics. Focus on recurring income via long-term agreements.

Services

Transport, removals, and construction logistics including sand, bricks, and cement delivery.

Competitive Advantage

Reliability, operational structure, market focus, and scalability.

Growth Plan

Fleet expansion, contracts, bulk logistics, and regional expansion.

Financial Outlook

Profitability through efficient operations and scaling fleet capacity.

Investment Opportunity

Seeking funding for fleet expansion and operational growth.

Vision

Build a logistics network across Africa integrated with construction and real estate.
